Navjeevan Lokvikas Sanstha is a Non profit, Non governmental organization, registered under Bombay Community Public Trust Act 1950 and Societies Registration Act 1860.

We are a group of Health Activists, Researchers, Trainers IEC Specialists and Social Workers working towards most marginalized & vulnerable communities.

Navjeevan Lokvikas Sanstha works on Women's and Child Health, Livelihood, Education & address Social Issues since 2005 and has impacted more than 2 million people through its various program and interventions.

# Director's Message

## Mr. Kishor T. Patil

**Master Of Social Work (M.S.W.)**

20 years consistent contribution in social work. (Health, Education & Nutrition.) And in Skill Development sector with successful stories & positive influential impact in youths' employability.

Dear All, It's a privilege for me to share the message and main aim of mine towards Navjeevan. My Vision is to provide poor communities with the means to alter their lives in a dignified manner and that should be I personally believe that most powerful intervention for transforming lives is "EDUCATION".

The Navjeevan Lokvikas Sanstha work in providing the education for under privileged children and youth and also improving employability skills through job vocational training will transform communities and their way of dignity. Vocational Trainings is an effective path to creating opportunities and addressing the youth in the employability sector in the world.

As a Director of Navjeevan. I proudly say that we are involved into Children Education & changed their live since many years. We are also created job opportunities to our youth and their dignity through our vocational training. Also provided and distributed Dry Ration Kits and Nutritious food to needy people in the health camps.

Navjeevan's main strength is our children and youth and I foresee that an educated and employable workforce will spearhead and transform India. I proud of my entire Navjeevan team who always there to be succeed our journey.

# Our **Mission & Vision**

## Our DNYAN- VARDHINI

DNYAN-VARDHINI focuses mostly on the Education for the community of Rag pickers and Orphans. We work with the Rag Pickers Community to determine the site of Bhiwandi. As part of the activities, we provide education to children who are between the age of 8 to 17 This project primarily focuses on the Orphans and Rag-Pickers group. The objectives of this project are to educate and unite them in schools.

## Our UDAAN

UDAAN Programme has been initiated by Navjeevan specifically for youth from underprivileged backgrounds. The Employability Skill Program is known as UDAAN. For underprivileged children between the ages of 18 and 29, we offer a Job Vocational Training programme in Udaan. For reaching such population, Navjeevan have Step-To-Step Process to Identify & Reach, Train and Place them into Job in a dignified positions.

## SANJIVANI

To help individuals in need live healthy lives, Navjeevan LokvikasSanstha works in the Health, Education and Employability Sectors. Inthis project, we regularly examine the health of those who arevulnerable. In this medical camp, we treat people of every age range.Pay particular attention to the women and children who work at thedumping site as Rag Pickers (Unhazardous areas)Several funders including BCPT, CCDT, Smile Foundation, NaikFoundation and Family Planning Association of India (FPAI) havehelped us launch this project

# Navjeevan in the News

# Success Stories

## **Priti Chaurasiya**

Prakash Auto Maruti Suzuki Arena.

**Designation:** Customer Care Executive

**Salary:** 13,000/- per month

Priti comes from marginalized family, her father works as an Auto Driver and mother is house-wife. She completed her 12<sup>th</sup> from Hindi

medium and was struggling to get a job which can help her to support her father. We met her during the mobilization and briefed about the course.

She joined and completed the course successfully and now works with Prakash Auto Maruti Suzuki Arena as a Customer Care Executive and gets Rs. 13,000 per month. She is very happy and thanks to trainers for helping her in her life to making her career.

## **Nimee Shah**

Quess Corp Ltd.

**Designation:** Customer Care Executive

**Salary:** 15,000/- per month

Nimee's father is street fruit seller, she too used to help her father from school days. Her father wanted her to study further but

due to fees they were just extending the time. We met one of her friend and she said Nimee would surely be interested and she gave us her address. We went and met her father and Nimee, her father immediately said to join the course. She was very enthusiastic during the training and always showed interest in learning new things. Today, she earns Rs. 15,000/- per month salary and support her family in a big way. Her father feels proud that she works in the office and not on street.

# Success Stories

*Harshad Yuraj Waghe*

**Project Name:** BCPT (Rehabilitation of Rag Pickers Children)

**Course Duration:** Basic Educational Skills

**Date of Enrolment:** 21st June'2022 and **Date of Course Completed:** \_\_\_\_\_

**Course Duration:** 06 Months

## **Family Background:**

Harshad Waghe is 10 years old boy. There are total 10 members in his family. Out of them, only two members are earning for survive the life. Both his father and mother work at a dump yard, which is dangerous for their health. Owing to his lack of hygiene, he also has a disorder called glycogen storage, which causes the stomach and liver to enlarge more than other bodily parts. When our team mobilised, he was there. We informed him, and after that he was prepared to enrol at our centre.

## **Transformation Story:**

When he first started, Harshad didn't even know how to write. His ability to interact with people is limited. But he is eager to pick up new knowledge and abilities. By the end of the training, he had gradually acquired some fundamental knowledge, and even he had learnt how to practise cleanliness. In order to combat his sickness, our team and all the teachers offer students fresh information about the Nutritious diet. We also hope that his medical condition would improve. He has now successfully finished his training and been accepted into a government school.
